

A two-story brick house with a teal front porch and a stone retaining wall in the foreground. The house features a central entrance with a dark door and a small porch with white columns. To the right, there is a teal-painted section of the house with a window. The foreground shows a concrete walkway leading to the porch, bordered by a stone retaining wall and some landscaping. The sky is clear and blue.

# A PERFECT HARMONY OF FORM AND FUNCTION IN HIGH PARK

Located minutes from Bloor St and High Park, this semi-detached has been completely renovated with an impeccable eye for detail. 9ft ceilings, open-concept design and hand-picked fixtures make the entire home feel spacious and modern.

Rich-toned hardwood floors throughout, an exposed brick feature wall that extends up to the 3rd floor and a wood-burning fireplace give this home character and charm that are hard to match.

A large front porch and vestibule welcome you into the grand main living space that seamlessly integrates the living room, dining room, powder room, and kitchen. The chef in you will rejoice at the quartz countertops, stainless steel appliances, gas stove and natural light that pours in from the walkout to the back deck.

The tranquil primary bedroom is located on the 3rd floor and is complete with a private walk-out terrace, a spacious walk-in closet, and a 5-piece spa-like ensuite with a deep claw-foot soaker tub—it's the ideal place to unwind after a long day.

The laundry is conveniently located on the 2nd floor, along with two spacious bedrooms, a modern 4-piece bathroom and a large family room that could be converted back into a 4th bedroom should the need arise.

The fully renovated basement has been underpinned with 8ft ceilings and features your very own sauna. Not only that, but it has an extra-wide walkout from the large mudroom which includes plenty of built-in storage, and even a dog spa for those mucky paws!

**Homes of this caliber rarely become available in High Park.**
